

Newswire Plus

When you select the Newswire Plus option, we will send your press release to over 17,000 media outlets across the United States. In addition, this service includes newswire distribution via PR Newswire, the recognized leader in newswire services. Your release will reach the tens of thousands of media personnel, including book reviewers, and organizations that belong to PR Newswire. Your release will also be sent to 4000 web sites, online databases, and online services. Most importantly your press release will appear on Google News (via Google's spidering of other news sites) as well as on Yahoo! News.

Also, after your release is distributed we will send you a report that will confirm the distribution of your release and give you a few links where your release can be found online!

Since your release will be sent to tens of thousands of recipients, we can't list them all here. However here is a list of some of the newspapers that will receive your press release.
